TEACHING/RESEARCH

Dear Professor Lederberg:

The above named person has registered with us for an appointment and has given us your name as reference.

We are particularly interested in your opinion of professional ability, intellectual qualifications, and record of past work.

If you will write as soon as possible it will be appreciated so that there will be no delay in our recommendations. Your comments, of course, will be held in confidence.

We thank you for your cooperation.

Sincerely,
(Mrs.) Lillian Butler
